From: Cynthia Wright- Johnson, MSN RN

EMSC Program Director @ MIEMSS/ MIEMSS Pediatric QIC & DART

Subject: 2019 Pediatric Base Station Courses

MIEMSS and Maryland Board of Nursing recognized Base Station Course

There will be four Pediatric Base Station Courses in 2019 with one combined registration form. Please use one form per person and indicate the specific course you are signing up to attend. Registration is on a first come first serve basis with a maximum course size of 30.

Pre-course work (self-assessment) will be sent out two weeks prior to the course along with a link to directions to the course location. Self-Assessment (Pre-Test) should be completed before the course; many of the answers can be found in the current **Maryland Medical Protocols for EMS Providers** which are located within each Base Station. They are also located on the web at <http://www.miemss.org/home/ems-providers/protocols>.

This workshop is required for all base station staff and transport nurses. It has been adapted to meet the needs of the specialty Pediatric Base Stations in Maryland and pediatric & neonatal transport teams.

Course Time: 9:00 AM to 12:00 PM Pediatric Base Station Course

Optional Tour of SYSCOM / EMRC at the end of the courses at MIEMSS

Target Audience: Pediatric Emergency Department, Transport Team, Communications Staff, Attendings, Fellows, Nurses

Faculty: Jen Anders, MD, FAAP: MIEMSS Asc. State EMS Medical Director for Pediatrics
