

Opportunity for Comment on University of Maryland Shore Medical Center at Dorchester Conversion to a Freestanding Medical Facility

The EMS Board has received notice under COMAR 30.08.15.03 that University of Maryland Shore Medical Center at Dorchester is seeking an exemption from a certificate of need to convert to a freestanding medical facility. As part of the process, the EMS Board must make a determination as to whether the conversion will maintain adequate and appropriate delivery of emergency care within the Statewide emergency medical services system. MIEMSS will continue to accept direct input from stakeholders regarding the determination through August 14, 2018. Any comments may be may be emailed to Lisa Myers, Director of Cardiac and Special Programs at lmyers@miemss.org.
