Mr. DeVries called the meeting to order at 9:10 a.m.

**ACTION:** Upon the motion of Mr. Broccolino, which was seconded by Dr. Westerband, the Board approved the minutes of the March 9, 2010 meeting of the EMS Board. Upon the motion of Mr. Broccolino, which was seconded by Ms. Showalter, the Board approved the minutes of the January 12, 2010 Joint Meeting of the EMS Board and SEMSAC.

**EXECUTIVE DIRECTOR’S REPORT**

Electronic Patient Care Reporting System. Dr. Bass reported on the status of the effort to replace the EMAIS system with a new electronic patient care reporting system. He said that MIEMSS had received bids from six (6) companies and had completed the technical evaluation of those bids. He said that based on the evaluation, two vendors had been invited to participate in a vendor fair which
provided the opportunity for hands-on demonstrations of the products. He said that the financial evaluation would be completed shortly.

**EMS Week.** Dr. Bass said that EMS Week is May 16-22, 2010 is EMS Week. He said that the Stars of Life Awards are tentatively scheduled for May 20th.

**EMS Conference.** Dr. Bass said that MIEMSS plans to hold an EMS conference in April of next year and that the conference will likely be held in Ocean City.

**Protocol Rollout.** Dr. Bass said that the Protocol Rollout is scheduled for April 19th.

**STATEWIDE EMS ADVISORY COUNCIL**

Dr. Kalish said that SEMSAC had met on April 1st. He said that SEMSAC approved changes to the Licensure and Certification Regulations that the Board will vote on at this meeting.

**R ADAMS COWLEY SHOCK TRAUMA CENTER**

Ms. Fosler reported that admissions to the STC were 344 patients ahead of last year and 487 above budget. She said that the number of OR cases were consistent with admissions and beds occupancy was consistent with typical winter months. She said that the Center was on capacity alert for one hour the last weekend of March. She summarized educational programs that had been conducted during the most recent quarter. She said that the Certificate of Need for the STC expansion had been approved in March and that the Shock Trauma Gala was scheduled for April 24th.

**LEGISLATIVE REPORT**

Ms. Gainer presented a summary of the final status of various bills of interest that had been considered by the General Assembly, as well as the final status of several budgetary items.

**OLD BUSINESS**

**Cardiac Interventional Center Standards.** Ms. Sette reported that the proposed Cardiac Interventional Center Standards had been published as proposed regulations in the *Maryland Register* on January 29, 2010. She said that during the comment period, only one comment had been received, which had been favorable.

**ACTION: Upon the motion of Mr. Broccolino, which was seconded by Dr. Kalish, the Board voted to approve the proposed Cardiac Interventional Center Standards as final regulations.**
Ms. Myers presented a draft projected timeline of how MIEMSS plans to proceed to implement the regulations and designate Cardiac Interventional Centers. She said that MIEMSS would work to coordinate MIEMSS efforts with those of the Maryland Health Care Commission. Dr. Bass said that MHCC and MIEMSS will collaborate on data collection which will provide data to both agencies.

**Licensure & Certification Regulatory Change.** Mr. Seifarth presented the draft proposed changes to the licensing and certification regulations. He said that the changes were intended to expand the options for renewal of EMT basic certification by the addition of two new options: 1) renewal if national registry certification is current; or 2) renewal upon successful completion of a 12-hour on-line refresher course and successful demonstration of the required skill set. EMTs seeking renewal under either the existing or new options also need to comply with Maryland affiliation requirements. Mr. Seifarth said that the new options should lead to cost-savings.

**ACTION:** Upon the motion of Dr. Westerband, which was seconded by Ms. Showalter, the Board approved the draft changes to the Licensure & Certification regulations for publication as proposed regulations.

**ACTION:** Upon the motion of Mr. Broccolino, which was seconded by Dr. Hexter, the Board adjourned to Executive Session.

The purpose of the closed session was to carry out administrative functions under State Government Article §10-502(b), to obtain legal advice from counsel under State Government Article § 10-508 (a) (7) and to discuss certain site reviews and maintain certain records and information in confidence as required by Health Occupations Article §14-506 (b) under State Government Article § 10-508(a) (13).
