Meeting Minutes
April 28, 2022

Emeds/Elite Change Committee

Changes will be coming. Adding additional selection to the primary impressions -Community Health visit, immunization and Substance use support. All went through unopposed. May 1st the changes go into effect. Data codes for billing will be discussed at the end of May. Next meeting is in July. IF you have any thoughts on changes let Matt know so that he can present it. Montgomery is working with Image Trend and spoke with Matt about the patient contact information for referral. Montgomery has come up with a worksheet to go into the module which then data could be pulled.

Review of Programs

Queen Annes - Started building out a special needs tracker for pediatrics.

Talbot - Transition period, Greg has been promoted and they are looking for his replacement. Greg will still be involved with managing the program.

AA- Leadership summit, Case management software went live. They are adding a PM/RN/SW team.

Montgomery - ESPP money funded 2 full time paramedics, duty officer, chase car, EMS supervisor. Adult protective services presentation at EMS World this year. CIT conference in Pittsburg. Still working on getting patients to the crisis center. Working to revise the EMT refresher with an MIH segment.

Salisbury- SWIFT follow up visits on-going, MDCN running 3 days a week based on staffing ability. Budget was destroyed but 2.0 is still unknown.

Charles - Normal operations, no update

Baltimore City - Expansion of Pop Health, from the ESPP funding. Vaccinations, home visits and MDCN normal operations.

Worcester - Year 2 from Hearst grant. Working on additional referrals and addiction in the county.

Howard - Dan is taking over, Chirstina has been promoted. Dan has been working with Christina so he is currently looking over the current programs (Leave Behind Narcan, AD) for improvements.

Carole - Sitting in on the rounds for the program, seeked approval for additional interventions for Paramedics should have an answer from

Fees: Starting cost \$200, plus Mileage and interventions per hour.

SEMSAC - Good time to have an update on the educational roll out or anything else that is going on to include funding issues for the June 2nd SEMSAC meeting.

Good of the order - None

Motion to adjourn by Greg Fries, second by Kevin Turner. Motion Pass.

Respectfully submitted by Jessica Thomas Paramedic BCFD
